Safeguarding Statement

As a volunteer with The Medway Street Angels you may hear confidential and/or sensitive information in relation to our customers. Please provide them with a high level of dignity, respect, sensitivity and appropriate confidentiality. If you do hear anything you are concerned about or anything that raises a concern, please consider it your duty of care to contact/speak with your team leader or one of the Lead Members listed on our website.

We work as volunteers alongside many other organisations and are part of a professional multi-agency approach. We work in supporting the welfare and wellbeing of the homeless in Medway. Any misconduct from volunteers could have detrimental effect on the work we do and the lives of the people we work with.

Social Media is key to our work but please consider the positive and negative impact it may have. Please take responsibility in using it in a sensitive and appropriate manner whilst taking into consideration the full Safeguarding Statement.

I have read and understood the Safeguarding Statement.

The Medway Street Angels offer a service to the local homeless community by providing food, basic essentials, financial assistance and ongoing support. The Medway Street Angels support the homeless on a daily basis delivering hot food, clothing and bedding, and where needed tents and camping equipment etc.

The Medway Street Angels does not just collect donations to give out. An important part of our work is to help individuals to get back on their feet by raising funds to purchase replacement ID's and support with other financial costs. If you have any ideas for fundraising please let us know.

Whilst undertaking these roles we may take photographs of the volunteers to use on our social media sites. This is to raise our profile and gain support from the local community. All photos will be agreed with all those shown before its use.

I give permission for photos to be taken by The Medway Street Angels whilst I am volunteering. I am happy for them to be used on their social media sites to positively support The Medway Street Angels profile.
